WOMEN SUBJECT TO KIDNEY TROUBLES

I beg to say that I have been a constant sufferer with severe pains in my prostration resulting from kidney rouble and other complications. A friend of mine recommended Dr. Kilmer's Swamp-Root as a sure cure for these troubles. Acting upon her advice I began taking Swamp-Root and began to improve before I had finished the first bottle. I continued its use until I had taken several bottles and continued to improve until I was comoletely cured. I am happy to say that I am as well as any woman on earth and have been so for the past nine years, thanks to Dr. Kilmer's Swamp-Root, and I cheerfully recommend it to all who suffer from kidney troubles.

Very truly yours, MRS. ALVA BAXTER, 407 Cypress St., Orange, Texas, Subscribed and sworn to before me this 21st day of March, 1912, JOHN J. BALL

CINCINNATI MAKES NEW

Directors Overrule President Herrmann and Ask For Two Players and \$15,000 in Exchange For Joe Tinker—Object to Paying Bonus of \$10,000 to Ex-Manager.

Cincinnati, Dec. 15.—Two players, a pitcher and an outfielder, together with \$15,000 in cash, are now asked from the Brooklyn club by the Cincinnati club in exchange for the services of Shortstop Joe Tinker, instead of the straight sale of the player to the Brooklyn club for \$25,000 as had been alranged by Presidents Herrmann and Ebbets last week.

This action was decided upon today

This action was decided upon today after the board of directors of the Cincinnati club had overruled the action of President Herrmann in making the deal. Following the receipt of a tele-gram from President Ebbets in which he said he expected the Cincinnaticular to fulfill its end of the agreement, Mr. Herrmann wired that the directors were not satisfied with the cash sale of Tinker and asked for . choice of Pitchers Ragon and Yingling and Outfielders Moran and Stengel, with a cash bonus of \$15,000. It is understood that the Cincinnati

club directors objected to paying \$10,-000 to Tinker out of the \$25,000 to be received for him and want Brooklyn players instead. Both Joe Tinker, deposed manager of the Cincinnati National league base-ball club, and Charles W. Murphy, president of the Chicago club, expressed the belief tonight that the outcome of the failure of the directors of the Cincinnati club to ratify the sale of Tinker to Brooklyn would be to send Tinker to Chicago next year.

"I will do all I can to swing the deal to Chicago," said Tinker. "I am going to demand that the Cincinnati club give Murphy a chance to bid for my services because he has the cash and the money to do so. I want to

HARVARD'S SCHEDULE HARD. Next Year's Work Heaviest of Recent

Cambridge, Mass., Dec. 15.—Harvard's varsity football team of next year will probably have the heaviest work of any Crimson eleven in recent years, if a tentative schedule made public tonight is carried out.

The programme provides for a game with University of Michigan October \$1, and one with Georgetown October both to be played at the Stadium These games are practically certain, according to Fred W. Moore, graduate manager of athletics at Harvard, although final arrangements have no been made as yet. Nine games, the same number as last season, are proposed for the Crimson. Three of these are new, Michigan displacing Cornell, Georgetown taking the date lately oc-cupied by Holy Cross, and Tufts col-lege being added in place of Norwich

The games with Princeton and Yale occupy the same relative positions as on recent Harvard schedules, being separated by a contest with Brown. Except for the Yale game, which will be played at New Haven on November 21, all of Harvard's contests will be in the Stadium. The Yale game is expected to be played in the new Bowl, now building. The proposed schedule fol-

A synopsis of their replies would indicate that the famous English professionals believe J. J. It was their opinion that American golfers were too prone to use irons off the tees, due in part to the absence of real bunkers and rough going on the States' courses.
